

## MONITORING LABOUR MARKET REFORMS II

**Project Title:** Monitoring Labour Market Reforms II

**Funded by:** EC/DG Employment, Social Affairs and Equal Opportunities through Agenzia Regionale Istruzione Formazione Lavoro

**Amount granted:** 141,030 Eur / 9,227

**Duration:** 16 months

**Aim:** To identify benchmarking tools and standards to support the implementation of public-private partnerships in employment services with special focus on services aimed at displaced workers, immigrants and ethnic minorities.

**Location:** Romania, Italy, Poland

**Objectives:** 1. To widen and deepen the debate about the issues relating to support transitions in the labour market and public-private partnerships in employment services;

2. To share with the stakeholders the necessity to provide themselves with policy tools, effective and reliable at the same time;

To spread the knowledge of the policies adopted at Community level;

To exchange of experience and best practices relating on the management of industrial crisis and the placement of dismissed workers and to the employment

of disadvantaged workers (especially immigrant workers and ethnic minorities);

To bring experts and operators from old and new Member States and from the Candidate Countries in order to enhance the capacity building and to promote the common reflections in order to find innovative solutions and to improve expertise in European and comparative terms;

To promote the involvement of the social and private (profit and no profit) partners at local, sectorial, national and European Levels;

To provide a long-lasting effect to the project throughout the publications of the results of the main event in high quality (Italian and international) reviews and the publication of a Repertory of Good Practices In EU countries in employment services for dismissed workers and for immigrants and ethnic minorities;

To allow to develop a discussion on the project of the Lombardia Region management of industrial crisis in order to share the project with local stakeholders. Project monitoring foresees monitoring forms over the effects of the project itself to verify the reaching of these objectives

**Role of the agency:** National coordinator

**Coordinator:** Gelu Duminiță
